About AFCEA Belvoir

Introduction

Fort Belvoir is home to some of our Army's most highly trained, well-equipped, and capable Soldiers. AFCEA Belvoir is proud to be part of this exceptional community, serving as a bridge for information sharing and collaboration between the U.S. Military and the information technology industry.

Our events range from our Monthly Luncheon Series, Belvoir Industry Days, and Small Business engagements to our Education Hack-a-thon, Emerging Leaders events, and Golf Tournaments. These events feature distinguished speakers from across the Fort Belvoir community. Our intent is to provide a venue for strategic collaboration between government and industry to solve our nations toughest challenges and foster meaningful growth within the local business sector. Your participation in these events strengthens the exchange of knowledge and helps build pathways for future collaboration and innovation.

Our mission is to advance the exchange of ideas and information between the public and private sectors in support of national security and the defense community. We promote education, encourage industry-government engagement, and create opportunities for innovation through our events, scholarships, and professional development initiatives. **Proceeds from all AFCEA Belvoir events directly support students pursuing STEM education.**

What We Do

AFCEA Belvoir deeply appreciates the generosity of our sponsors, whose support makes all our events possible. All proceeds from AFCEA Belvoir events are awarded to students pursuing education in STEM fields. Over the past 10 years, AFCEA Belvoir has consistently provided **over \$100,000 annually** in merit-based scholarships for students and donations to **Ft. Belvoir Elementary School**.

Our events not only provide valuable resources for the next generation of STEM leaders but also create a dynamic forum for industry partners to connect, collaborate, and demonstrate their support for the Fort Belvoir community.

Ft. Belvoir hosts:

- **Monthly Luncheons & Tech Talks:** Connecting industry and government leaders on key issues and capabilities
- **Bi-Annual Golf Tournament:** A signature networking and fundraising event supporting STEM scholarships hosted in the Spring and Fall
- **STEM Scholarships & Grants:** Investing in the next generation of science and technology professionals
- **Networking Events:** Engaging the community through informal, mission-focused events

This Prospectus will provide an overview of all sponsorship opportunities for our FY26 proposed event schedule.

*Please note – AFCEA Belvoir Industry Days (ABID) is hosted by AFCEA Belvoir, but we partner with Federal Training Partnership. Sponsorship information for this event will be completed through: [AFCEA Belvoir Industry Days | AFCEA Belvoir Chapter](#)

ABID 2026 will be May 5-7, 2026
