"USACE Overview"
For AFCEA Belvoir
USACE Value for our Nation

USACE provides value for our Nation to diverse stakeholders in many ways:

• We deliver positive impacts for today and tomorrow – in construction, natural resource management, energy and sustainability, and capacity building, and more . . . .

• We have the “right” people: world-class professional civilians and soldiers.

• We are U.S. Army “ambassadors” on a daily basis to political leaders, America’s small businesses, and to citizens wherever we serve them . . . .

USACE Vision

Engineering solutions for the Nation’s toughest challenges.

USACE Mission

Deliver vital engineering solutions, in collaboration with our partners, to secure our Nation, energize our economy, and reduce risk from disaster.
U.S. Army Corps of Engineers
